ELECTORAL REGISTRATION FORM

How do I register to vote?

- 1 Fill in the electoral registration form.
- 2 Make sure all sections of the form are completed and each applicant signs the 'declaration'.
- 3 Return your form as soon as possible to the Electoral Registration Office.

Who can register to vote?

- anyone aged 16 or over (but you cannot vote until you are 18)
- British or qualifying Commonwealth citizens. This means Commonwealth citizens who have leave to enter or remain in the UK or do not require such leave.
- citizens of the Republic of Ireland or other European Union (EU) member states

British citizens, Irish citizens and qualifying citizens of Commonwealth countries (including Cyprus and Malta) can vote at all elections.

Citizens of other EU member states resident in the UK can vote in local government elections but cannot vote in UK parliamentary elections. Those resident in Scotland may also vote in Scottish Parliamentary elections. If you are an EU citizen and want to vote in European Parliamentary elections, you must fill in a separate form. Contact the Electoral Registration Officer for more details.

What address can I register for?

You can only apply for registration at your current home. You can apply at your temporary home if you currently have no other home. There are some exceptions (e.g. students). If you require further clarification on residency, please contact the Electoral Registration Officer at the above address.

What is the electoral register?

The electoral register is the list of everyone who is registered to vote. You must be on the register to vote in elections and referendums. You are **not** automatically registered, even if you pay Council Tax.

You can register to vote at any time. If you're not registered, for example, if you have moved home, you need to fill in a registration form.

Who has my personal details?

There are two versions of the register - the **full** version and the **edited** version. **Your details** will appear on the full version of the register, but you can choose whether or not your details appear on the edited register.

- The full register is used for elections and referendums, preventing and detecting crime and checking applications for credit.
- The edited register is available for general sale and can be used for commercial activities such as marketing.
